Dear Commissioner:

In response to the Interview Summary communication mailed December 15, 2008, the undersigned wishes to point out that what is stated in the Interview Summary is a correct reflection of the substance of what was discussed during the July 11, 2008 telephone interview between Patent Examiner Michael Scott Lowe and Ms. Amy Klein of our office in connection with the above-identified patent application.

Specifically, on July 11, 2008, Ms. Klein telephoned Examiner Lowe to inquire about the status of the case and when it

might be examined. The Examiner stated that it would likely be at least several months before the case was examined.

Respectfully submitted,
